LOCAL SCHOOL WINS INTERNATIONAL AWARD

Pentrefafod School in *Swansea* is celebrating after being awarded an internationally acclaimed eco-award.

Pentrefafod School has been awarded their *1st* Green Flag Award thanks to the environmental education programme, Eco-Schools.

Eco-Schools is an international programme run in Wales by environmental charity, Keep Wales Tidy and funded by the Welsh Government. Over 90% of schools in Wales are registered on the programme.

The Eco-Schools programme inspires and empowers pupils to be leaders of change in their community, helping them learn about sustainable living and global citizenship while giving them the information and support they need to make changes that will benefit their school, local environment and wider community, such as reducing waste, energy consumption, transport, healthy living and litter issues.

“Congratulations to *Pentrefafod School* on their amazing achievement. They are a shining example of how young people in Wales are committed to achieving a sustainable future for their school but also for their wider community and local environment.”
